Re: Modernization of Payphone Compensation Rules; WC Docket No. 17-141

Dear Ms. Dortch:

On June 7, 2017, I spoke by phone with Michele Berlove of the Wireline Competition Bureau about the June 1, 2017, public draft of the above-captioned Notice of Proposed Rulemaking and Order.

On the call we discussed clarifying the time period for which the draft order would waive the annual audit and associated reporting requirements. Also, I explained the Notice should seek comment on whether it is appropriate to continue to require a completing carrier's Chief Financial Officer to certify to the accuracy of the quarterly payments.¹

Sincerely,

A handwritten signature in black ink that reads "Maggie McCready". The signature is written in a cursive, flowing style.
